Intellectual property

This site is the property of Clermont Auvergne University.

The entire site is governed by French and international legislation on intellectual property. All photographs,

texts, drawings, images, videos and other elements protected by intellectual property rights are the property of Clermont Auvergne University.

The pages of this site may be printed on paper, subject to compliance with the following conditions:

- distribution free of charge
- respect for the integrity of the reproduced documents (no modification or alteration of any kind)
- explicit mention of the site www.cap2025.fr as the source and mention that the rights of reproduction are reserved and limited
- reproduction of all or part of the site on electronic media is authorized subject to the clear and legible addition of the source (www.cap2025.fr) and the "all rights reserved" statement

This authorization does not apply to sites publishing information of a controversial, pornographic, xenophobic nature or that might, to a greater extent, be deemed offensive by the general public.

Any use for advertising or commercial purposes is not permitted.

The violation of any of these rights of exploitation is infringement punishable by law.
