

Talent Policy

Objective: to attract top internationally renowned researchers and professor-researchers to the Clermont-Ferrand site.

Clermont Auvergne University and its partners are committed to establishing optimal conditions to express the potential of researchers and professor-researchers recruited under CAP 20-25, in line with the project's objectives and the site's higher education and research policy.

A number of measures have been put in place to achieve this objective:

STEERING COMMITTEE

Chairman: Vianney Dequiedt

P. Barret

A. Fogli

E. Lacour

F. Laurent

F. Marre

J.-M. Nedelec

B. Williams
