

2nd Symposium on Work in Agriculture

Publié le 24 mars 2021 – Mis à jour le 24 mars 2021

Date

Du 29 mars 2021 au 01 avril 2021

Welcome to the ISWA 2021 Symposium ! Thinking the future of work in agriculture

1.3 billion people work in agriculture. Work in agriculture faces continuities but also tremendous changes. Are sufficient knowledge, useful frameworks and operational tools provided to follow up the changes of work in a sustainable way ? Are the various dimensions of work (employment, health, organization...) connected to build prospects for decent work in the future ?
